

## WTF Payment Schedule

1. The first payment (payments are in installments of 25% of total grant monies) will be sent after the WTF sends back the signed contract with an approved START date.
2. The second payment can be requested after 85% or more of the initial payment has been spent on training.
3. The third payment can be requested when all of the initial payment **and** at least 85% of the second payment has been spent on training.
4. The final payment can be requested when all training has been completed and all training dollars have been expended.
